

Attention Employers!

If you are an employer in North Alabama or Southern Tennessee, we would welcome your involvement with St. Joseph the Worker Job Networking Club!

There are several ways in which we can help you and you can help our job seekers.

1. Our Resume Book of candidates is available for you to see in St John's Catholic Church Office during business hours.....No charge!
2. The Job Networking Club has had over 4000 job seeking participants in its 10 years of operation. Your participation with the club will benefit your HR efforts. If you List a Job with the Job Club, it will be advertised to over 1700 local job seekers who are on our email distribution list, AND, they share the information with other job seekers.... The reach is phenomenal! No charge!
3. If you Volunteer to Speak for 30 minutes during a Tuesday afternoon meeting (with an average audience size between 45 – 60 job seekers) about a topic related to job searching, you have a chance to educate potential candidates, advertise your organization, and meet qualified job seekers face to face. This is a great way to size up potential job candidates!
4. If you decide to become a regular volunteer with the Job Club, you can help in several ways: mentor a job seeker, coach on interviewing skills, review resumes, or provide refreshments for a meeting. Participating with the Job Networking Club is a wonderful opportunity for you to put your HR skills to use in the larger Huntsville/Madison County and North Alabama community!
5. We welcome your participation in any capacity, and we want to meet you face-to-face and help you to become one of the valuable Job Club community resources!
